# AMPK gamma-2 antibody

Catalog No: #22007

Package Size: #22007 100ul

Orders: order@signalwayantibody.com Support: tech@signalwayantibody.com

## Description

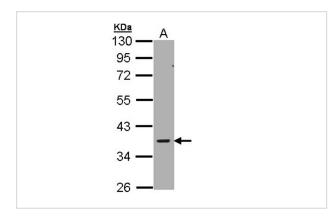

Product Name	AMPK gamma-2 antibody
Host Species	Rabbit
Clonality	Polyclonal
Purification	Purified by antigen-affinity chromatography.
Applications	WB IF
Species Reactivity	Hu
Immunogen Type	Recombinant protein
Immunogen Description	Recombinant protein fragment contain a sequence corresponding to a region within amino acids 1 and 288 of
	AMPK gamma-2
Target Name	AMPK gamma-2
Accession No.	NCBI Gene ID: 51422NCBI mRNA#: NM_024429NCBI Protein#: NP_077747
Concentration	1mg/ml
Formulation	Supplied in 0.1M Tris-buffered saline with 10% Glycerol (pH7.0). 0.01% Thimerosal was added as a
	preservative.
Storage	Store at -20°C for long term preservation (recommended). Store at 4°C for short term use.

## **Application Details**

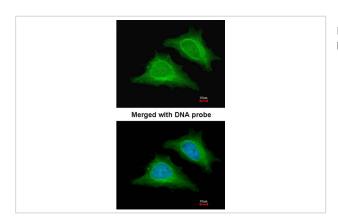

Predicted MW: 38kd Western blotting: 1:500-1:3000

Immunofluorescence: 1:100-1:200

### **Images**

Sample (30 ug of whole cell lysate) A: Hela S3 10% SDS PAGE Primary antibody diluted at 1: 1000

Immunofluorescence analysis of paraformaldehyde-fixed HeLa, using AMPK gamma-2 antibody at 1: 200 dilution.

## Background

AMP-activated protein kinase (AMPK) is a heterotrimeric protein composed of a catalytic alpha subunit, a noncatalytic beta subunit, and a noncatalytic regulatory gamma subunit. Various forms of each of these subunits exist, encoded by different genes. AMPK is an important energy-sensing enzyme that monitors cellular energy status and functions by inactivating key enzymes involved in regulating de novo biosynthesis of fatty acid and cholesterol. This gene is a member of the AMPK gamma subunit family and encodes a protein with four cystathionine beta-synthase domains. Mutations in this gene have been associated with ventricular pre-excitation (Wolff-Parkinson-White syndrome), progressive conduction system disease and cardiac hypertrophy. Alternate transcriptional splice variants, encoding different isoforms, have been characterized. [provided by RefSeq]

Note: This product is for in vitro research use only and is not intended for use in humans or animals.
